Greenhouse Gas Emissions Verification Statement

Scope on the process and procedures conducted
Ansea Aiot Equipmen

Address: Buildings 1 and 2, No.7, Keji 6
High-tech Zone, Zhuhai City, Guangdong
Workshop, No.18-1, Keji 6 Road, Tanwan Town,
Zhuhai City, Guangdong Province, China

The Greenhouses Gas Inventory Report (February 1st to December 31st, 2022) asserted that the greenhouse gas emissions from January 1st, 2022 to December 31st, 2022 in the company was 24120.51 tCO₂e, including 9386.03 tCO₂e of direct greenhouse gas emission (scope 1), 2229.09 tCO₂e of direct greenhouse gas emission (scope 2) and 20912.74 tCO₂e of indirect greenhouse gas emission (scope 3).

There was no material discrepancy in the statements impartially expressed the greenhouse gas emission. We provided reasonable assurance on the quantification and report of Greenhouse Gas Emission in compliance with ISO14064-1: 2018 and the Greenhouse Gas Verification Statement issued by WIT shall be used at the same time.

Certificate Number: 15/WIT GHG 2023011
Date: Mar.11,2023
